## REPACK Elden Ring: Deluxe Edition SKiDROW [+ DLC]

# Download

The new fantasy action RPG! The Lands Between (Available for iPhone and iPad) A vast world with complex and three-dimensional designs! • An incredible breadth of content An expansive world composed of open fields with a variety of situations, large and small dungeons with a variety of designs, plus large and small towns, and unadulterated wildernesses. • A wide variety of content Even for players who have finished the story of the Lands Between, the game offers an endless variety of content. Battles, dungeons, and exploration never become monotonous. • Truly unlimited possibilities You can freely mix and match weapons and armor, as well as magic. You can even freely customize your own character to create your ideal character. A new action RPG with the charm and soul of a classic RPG! • An action story where intense battles and thrilling adventures await Embark on an epic adventure with the noble Princess Gradia and her companions as they bravely seek the reason for the corruption that haunts the Lands Between. • A dramatic narrative born from a traditional fantasy tale A multilayered story of many pieces are united in one overarching story. Examine the themes of kinship and loyalty while traveling through a vast world, and most importantly, of the inevitability of the cycle of life. • Dramatic visuals that perfectly express the drama of the action A breathtaking and richly detailed graphics for the iPad version made by Eagle Eye. A soaring view of the Lands Between in full color that portrays its majestic scenery with precision! • Exciting action-packed battles A top-down visual system that places you in a position to confront all sorts of foes, including bosses and huge monsters. • Beautiful surroundings The graphics and characters are both vivid and detailed, and the environment is rich in both visual appeal and a sense of history. • Classic action-RPG elements that create an endless possibility A robust world means endless action, and to that end, you are able to freely decide the path of your character, even going so far as to customize your own character. Master the lands between and go forth into the sky, taking hold of the skies with your unfailing fists! • Vast World with an incredible level of depth and variety Explore a vast world that stretches for as far as the eyes can see in vast plains, enormous mountains, huge waterfalls, and endless mountains. You can also go to small towns and dungeons
