Ravukal malayalam book, Oru Kadal Iru Mahathmyam kunnu mu enna paattu. When the Saints traded up into the first round of the 2018 NFL Draft to select WR Michael Thomas out of Ohio State, they selected a player who has the potential to help them and their quarterback Drew Brees win a lot more games than they did last year. The question now is can Mike Thomas do enough to jump into the midst of that wide receiver group that already includes WR Brandin Cooks, WR Willie Snead and WR Robert Meachem and stay there? Thomas was not a proven commodity coming out of college, and in fact, he was rated as a mere five-star prospect coming out of high school. He was a very raw prospect and there were some red flags with him during the pre-draft process. Most people felt he would go in the mid to late rounds of the draft, and possibly even as a late day four pick. The Saints made it clear in the draft room last year that they were going to stick with 'The Process,' and their first round selection of RB Alvin Kamara pretty much set the tone for the rest of the draft that they wanted to build and rebuild the receiving corp with a full-on youth movement. The Saints essentially selected the best player in the draft from a position that is generally considered to be a weakness for them. Thomas has yet to play a game in a Saints uniform, but he's given every indication that he will be a perfect fit for this team going forward. After meeting with WR Coach Billy Davis and WR Coach Joe Vitt and just basically listening to what they had to say about him, it was pretty clear that Davis and Vitt both felt the same thing about him that the Saints
